

## New This Year: Dog License Postcard Reminders

The City Clerk's Office has begun mailing postcard reminders, a new feature this year, to dog owners about required licensing. In the past, residents have received a notification letter.

The annual license period for dogs in the city begins April 1. The postcards were chosen as a cost-savings measure.

“In our continuing effort to save taxpayers' money, we selected these postcards, which allows us to get the information out at less cost,” said Assistant City Clerk Malia Windrow-Carlotto.

For more information, please call the City Clerk's Office at 413-499-9361.
