*****Senior Tax Work-Off Program for Fiscal Year 2022*****

Due to the COVID-19 pandemic, and the notable risks that it presents to members of our senior population, the City of Pittsfield will not be implementing the Senior Tax Work-Off Program this year (FY22). We know that this program has enriched the lives of so many seniors in our community and we look forward to resuming it next year (FY23). Please continue to stay safe and healthy.
