

Dear PPS Families,

Governor Charlie Baker announced today that all Massachusetts schools will be closed for in-person-school for the remainder of the 2019-2020 school year.

We know this was a very difficult decision for the Governor and his team to make during these unparalleled times--as they consider the needs of every resident of the Commonwealth. We are grateful to the Governor, the Lt. Governor and all of our partners at the state level for their support, leadership, and care.

We will, as we have been throughout this time, be as communicative as possible about what this means for individual students, their families, our staff and the entire community.

On Wednesday, April 22, 2020, the Pittsfield Public Schools will be releasing Phase 2 of the At Home Learning Plan, along with information on how your child will be graded for quarters 3 and 4. Also, families who have requested to obtain a Chromebook will receive written confirmation of their request via their child's email account starting on Friday, April 24, 2020.

Workbooks for middle school students are arriving this week.

We appreciate you doing your part to keep you, your children, and our community safe.

Communications about school events, end of year events, and other things of great concern to all of us will be forthcoming
